

## Tutorial: VirtueMart 1.1 – Adding Extra Images

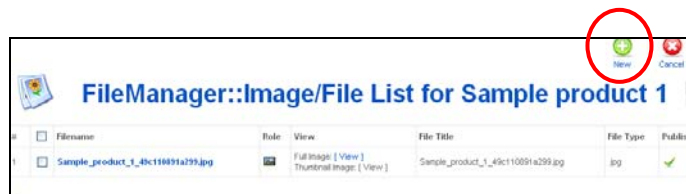

Log in to VirtueMart and go to the **Product List**

In the **Media** column is a link to the Media Manager for that product

Click on the link

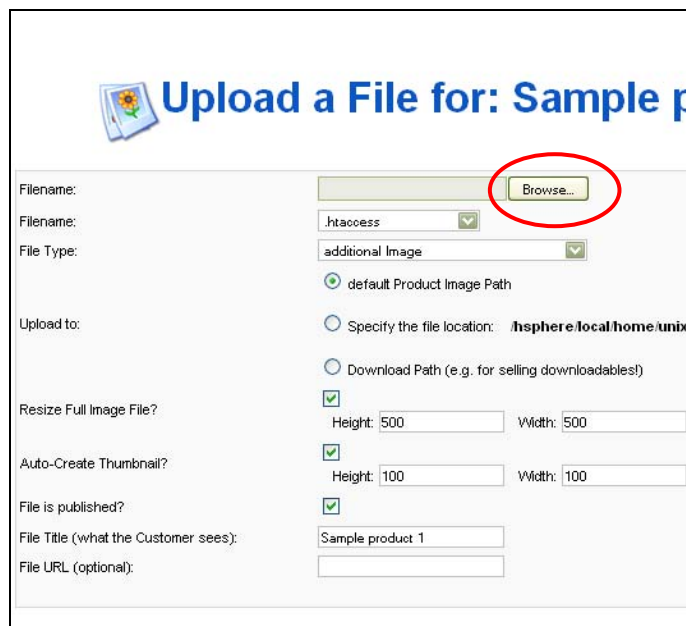

10	<input type="checkbox"/>	Sample product 1 [ Item Information ]	 (2)	0001
11	<input type="checkbox"/>	Sample product 2	 (2)	0002
12	<input type="checkbox"/>	Sample product 3	 (2)	0003

To add a new (additional) image click on the **New** button at the top

Use the **Browse** function to locate the image on your computer

Click **Save** (top right of window)

The screenshot shows the 'Upload a File for: Sample product 1' form. The 'Browse...' button is circled in red. The form contains the following fields and options:

- Filename:
- Filename:
- File Type:
